Dear President Pérez and Members of the Common Council,

We thank the Public Works Committee for amending the proposed ordinance (File # 231740) in response to our filed
written testimony to extend parade times through 7 p.m. in the evening, although we continue to believe that 9 p.m. would
be more appropriate. The amendment from the Chief of Police to the Commissioner of the Department of Public Works as
the person who has the ability to decide on revocation of permits does not address our concerns about denials of access
to the Official Parade Route and Speaker's Platform. Other concerns described in our testimony have also not been
cured.

Rather than adopt the ordinance at this time, we urge the ordinance be sent back to Public Works to work on adopting an
ordinance which complies with the First Amendment.

Thank-you for your attention to this matter.
